

DOB ISSUES MONTHLY ENFORCEMENT BULLETIN

Report Highlights DOB Enforcement Outcomes from August 2026 to Deter Bad Actors and Keep New Yorkers Safe

New York, NY – The New York City Department of Buildings released its enforcement bulletin for August 2026, which provides highlights of the agency's actions to sanction and deter bad actors in the construction industry through the enforcement of safety laws and codes of conduct. Today's bulletin includes summaries of DOB-imposed disciplinary actions, including penalties, license suspensions, and revocations.

The actions below represent a portion of DOB's overall work to enforce the City's building codes and safety laws, in addition to the thousands of inspections conducted and violations issued by the agency each month for illegal building and construction conditions.

DOB completed several major enforcement actions in August, including:

- 13 violations and \$130,000 in penalties imposed for failure to safeguard construction sites at 13 locations.
- 10 violations and \$188,250 in penalties, including daily penalties, imposed for illegal alterations in 2 locations.
- 5 violations and \$31,000 in penalties, including daily penalties, imposed for illegal transient use in 1 location.
- 1 violation and \$10,000 in penalties issued for failure to perform the duties of a Construction Superintendent.
- 2 stipulations executed agreeing to remove illegal storage and/or cease commercial use at 5 locations.

August's enforcement efforts also resulted in the removal of 11 illegally stored school buses at one location.

Below are individual enforcement highlights for August 2026:

Construction and Design Professionals

- DOB's Special Enforcement Team (SET) audited twelve professionally certified applications submitted by Professional Engineer Scott Dyer and found major code non-compliances, including filing Alteration Type 2 applications despite proposing changes in use, egress, and/or occupancy, which require Alteration

Type 1 applications for a new or amended Certificate of Occupancy; proposing plans that fail to provide fire divisions separating a nonresidential kitchen from other occupancies; failing to provide required special inspection reports; proposing plans for an eating and drinking establishment contrary to the Zoning Resolution without proof of existing lawful use; and various other violations of code and rules, including the Zoning Resolution, Building Code, and Administrative Code.
